MEMORANDUM FOR THE RECORD

SUBJECT: Meeting with Senate Armed Services Committee  
Staff re Transcripts of Watergate Hearings

1. Today I met with Jim Woolsey and John Goldsmith, of the Senate Armed Services Committee staff, and made technical corrections only on the five transcripts (11, 14, 17, 23 and 30 May 1973) of Agency testimony on the Watergate and Ellsberg incidents. The Committee is providing the corrected transcripts to Special Prosecutor Archibald Cox.

2. I also covered with Mr. Woolsey three followup items from the 14 May session and provided:

a. The McCord letters which Paul Gaynor had dated in sequence of receipt.

b.  concerning the activities of Howard Hunt.

c. A status report on our submission on uses of disguises and alias documents and he said he might be able to close this out orally with Braswell and Senator Symington depending upon what we come up with.

3. I gave Woolsey copy number 1 of Volumes I and II of "Documentation Provided by CIA" dated 1 June 1973 and told him there is a possibility of a third volume. Woolsey did not question our reasons for providing the documents in this form to our four oversight committees, but would appreciate being advised if the packages are given to anyone else, such as Special Prosecutor Cox or Senator Ervin's Select Committee.
